VISION

We aim to touch the hearts of the students confided to our care; in turn they touch the hearts of many more in our society, our country, our world with the talents and virtues they developed in their young years.

MISSION STATEMENT

The mission of St. Joseph's College is to impart a Human and Christian education to those entrusted to our care within the Lasallian family, and to do so with Faith and Zeal.

We strive to educate students in areas of moral, intellectual, physical, social, aesthetic and emotional development. This process will take place in an environment conducive to learning and in the context of interaction between staff and students.

Our mission is successful when our students

1. love their country, develop their talents and appreciate their culture;
2. understand and accept themselves and others;
3. think logically and critically and express themselves effectively;
4. clearly know what they believe and why they believe;
5. maintain physical fitness and mental health - avoiding excesses and abuses;
6. possess social awareness and a sense of responsibility for the common good.

SCHOOL MOTTO

Our College is named after Saint Joseph, and our school motto, "LABORE ET VIRTUTE" (Work and Virtue) sums up the life of this great Saint. He was a workingman, a carpenter by trade and his virtue made him worthy to be the foster-father of Jesus Christ. This motto expresses the spirit of our school. It is by hard work and virtue that a student will make a success of his life and so remains true to the best traditions of SJC.

JOSEPHIAN SPIRIT

The Christian Brothers and their devoted school staff are willing to give you their best under noble traditions. They are anxious that you make your own the Spirit of the School, and that you pass on to future pupils of ST. JOSEPH'S COLLEGE the spirit you have inherited. School Spirit can be seen in your loyalty to God, your commitment to your school duties and your care and concern for others.

Your school therefore expects you to acquire good practices like:

Punctuality;

Respect for your teachers and schoolmates;

Personal discipline in behaviour and dress;

Obedience;

Honesty; and

Good sportsmanship.

SCHOOL HISTORY

SJC has a history of 148 years. It was established by the Christian Brothers (De La Salle Brothers) in the nineteenth century. In 1875, six La Salle Brothers took over St. Saviour's College, which was founded in 1860, and renamed it as St. Joseph's College.

In 1876, the College expanded and moved from its original premises in Pottinger Street to a larger one at 9 Caine Road, known as Buxley Lodge. Five years later, a lack of space again resulted in the College being moved to Glenealy below Robinson Road. Then, in 1918, an earthquake caused severe damage to the premises and the school had to move again to the present site – 7 Kennedy Road, formerly known as the Club Germania (the German Club).

The Old Building where the S1-3 classrooms are now situated was erected in 1920; at that time the number of students was about 650. In 1925, the Chapel Block was completed and in 1963 the block on Kennedy Road was replaced by the present building. The New Building was opened by Sir Robert Black, the then Governor of Hong Kong. In 1968, in order to admit more students, the primary section was transferred to an independent establishment at 48 Wood Road, Wanchai. In 1974 St. Joseph's Kindergarten was established on the top floor of the Primary School Building.

In 2005, we started the process of building a new annex-Agabeg Annex, as an essential addition to the modernization of our school facilities. The Annex was eventually established in the summer of 2007. It is located at the former table tennis court, which is next to the basketball court under the New Building, comprising a new staff room, an ITLC, an art room and a multi-purpose room. It is named after the late Mr Godfrey Avryl Agabeg, a devoted alumnus who generously donated a total of three million dollars for the development of our school campus.

In 2016, the Education Bureau allocated the vacant school premises at 26 Kennedy Road in the Central & Western District to the Director in Hong Kong of St. Joseph's College for the physical extension of the St. Joseph's College. The new facilities, which include classrooms for Secondary Four and Six students and venues for a variety of extra-curricular activities, has come into service since September 2018.

After years of growth, SJC now provides education for around 2,000 students in the Primary and the College. The College has produced highly competitive and versatile students, and a large number of them have been successful in their careers.

POLICY ON HOMEWORK AND TESTS

1. Objectives

Homework and assessment contribute toward building responsibility, self-discipline and lifelong learning habits. It is the intention of our teachers to assign relevant, challenging and meaningful homework assignments and assessments that reinforce classroom learning objectives. Homework and assessments should provide students with the opportunity to complete unfinished class assignments, apply information they have learned, and develop independence.

Assignments and assessments include:

- **Practice** exercises to follow classroom learning
- **Preview** assignments to prepare for subsequent lessons
- **Extension** tasks to transfer new skills or concepts to new situations
- **Creative** activities to integrate multiple skills toward the production of a response or product

To promote a good understanding of the inter-relationship between the various knowledge and principles and develop students' problem-solving skill through applying the knowledge acquired, students are to sit for written assessments in a continuous and regular manner. The level of difficulty of the assessments should reflect the ability of students and the requirement of the course. The principal aims of the assessment are to stimulate students' learning and to evaluate the effectiveness of learning and teaching.

2. Roles and Responsibilities of Stakeholders

Teachers should

- assign relevant, challenging and meaningful homework and assessment task that reinforces classroom learning
- give clear instructions and make sure students understand the task(s)
- mark the homework and assessment and/or give feedback
- keep accurate and thorough records of students' performance
- communicate with other teachers about students' performance
- involve parents and contact them if a pattern of late or incomplete homework develops

Students should

- write down assignments in their "Student Diary"
- understand the requirements of all assignments and assessments and take the initiative to ask questions if necessary
- work on homework and assessment tasks independently whenever possible, which reflects their learning outcome
- produce quality work
- make sure assignments are done according to the given instructions and completed on time

Parents of the junior form students should

- set a regular, uninterrupted study time with their child each day
- monitor students' organization and daily list of assignments in their "Student Diary"
- assist students with the completion of assignments by means of guidance and advice
- be supportive when students get frustrated with difficult assignments and assessment
- contact teachers to stay well informed of the students' learning progress

3. Late Work Policies

Students are expected to submit work on time. The failure to submit work on time frequently will be dealt with, using any of the following at teachers' discretion or year level policy.

- mark deduction
- zero mark
- communication with parents
- after school detention

Students who are unable to hand in homework due to an absence will be asked to do make-up work. Students are granted a grace period for their submission of assignments in case of absence from school. It is the students' responsibility to catch up any missed work due to their absence from school.

For S. 1 - 3: The form-teacher of each class would assign one student to be responsible for putting down all homework assigned each day and dates for assessments and tests on the blackboard. The assigned homework each day and dates for assessments and tests should also be recorded in a special Assignment Book kept by a specially assigned student for record purpose and future reference. Each student must record all homework given and dates of assessments and tests in their own Student Diary.

Parents could log in our school eclass at <http://eclass.sjc.edu.hk> using your parent account, choose eService and then eNotice to learn about Announcements, Circulars (Extra-Curricular Activities, Parent-Teacher Association, and School Administration), Teaching and Learning (Assessment and Examination Syllabuses, Assessment and Examination Schedules, and Teaching Syllabuses), and Extra-Curricular Activities Calendar.

For S4 - 6: Like S. 1 - 3, the assigned homework each day and dates for assessments and tests would be recorded in an "Assignment Book" kept by a specially assigned student.

The special Assignment Book for each class will be collected at the end of each term for inspection.

2. Assessment Tests

These are uniform tests for S 1, 2 and 3. They are held twice a year, in October and March. The purpose is to inform the parents of their children's learning progress so that students could do something about the subject(s) which is (are) unsatisfactory. The tests serve as a kind of academic barometer before the 2 major examinations.

3. Other Means of Continuous Assessment

There are other tests and assessments like dictations, group projects, experiments from time to time based on the teaching program of a particular subject.

Please refer to the *Policy on Homework & Tests* posted in school website for more details.

5. Promotion Criteria

Whether a student is promoted or not is based on both his academic performance and conduct over the whole academic year.

6. Truancy

If the number of days of truancy amounts to one-third of the total number of school days or more over an academic year (approximately 60 days, including post-exam activities and school functions), the truant is forbidden to sit the final examination unless a formal application for sitting the final examination is made and approved by the school.

3. At times of tropical cyclone and heavy persistent rain or when the tropical cyclone signals or rainstorm warnings are lowered and there is no announcement for the closure of schools from the Education Bureau, **parents should use their discretion in deciding whether or not to send their children to school.** If it seems to them that local weather, road, slope, traffic or transport conditions at that time are still not completely normal, they should keep their children at home. The parents (not the students) should inform the school office (3652 4888) by phone. The next day, the students should give a letter of explanation from their parents and the student handbook to the form-teachers before school. If parents wish to know whether the school will be closed at times of bad weather, they may phone the school office.
4. If the Permanent Secretary for Education announces the closure of schools after some students have set out for school or if schools are in session when the Permanent Secretary for Education announces the immediate suspension of classes, **the school will activate the contingency plan to deal with closure of school or suspension of classes.** The school premises will remain open to ensure that students are kept in school until it is safe for them to return home and the school will try to help look after the students arriving or leaving to ensure their safety. Please be reminded that an announcement on closure of school or suspension of classes does not mean that all students are to be sent home immediately.
5. Parents are strongly advised to visit our school website (<http://www.sjc.edu.hk>) for the most updated school announcements.

關於惡劣天氣各項應變措施

鑑於惡劣天氣（熱帶氣旋及暴雨）引致的問題，學校製訂以下有關應變措施：

1. 由於天氣惡劣引致道路阻塞，斜坡傾塌、水浸、交通情況惡劣等情況，學生因遲到或未能返校，學校不會處罰該等學生。
2. 至於考試期間因惡劣天氣引致上述問題發生，學生遲到或未能返校，學校會採取相應措施審慎處理。
3. 在熱帶氣旋及暴雨來臨，或改懸較低熱帶氣旋訊號及暴雨警告訊號，而教育局仍未有公布學校停課的特殊情況，**家長宜自行決定應否讓其子弟上學。**
如果家長認為惡劣天氣引致區內道路阻塞，斜坡可能傾塌，交通及運輸系統仍未恢復正常，則應著其子弟留處家中。
家長（並非學生）應致電（電話：3652 4888）通知學校其子弟未能返校。翌日學生回校，應向班主任繳交家長通知書及出示學生手冊。如天氣惡劣，家長可致電學校查詢會否停課。
4. 倘若教育局公布因惡劣天氣，學校需要停課，而部份學生經已返校，或在上課時間內教育局常任秘書長公布學校須立即停課，**學校會實行應急措施確保在校學生的安全；學校會繼續開放**，照顧學生，直至天氣情況轉趨穩定，然後才會讓學生在安全情況下回家。請各位家長切記，任何停課公布發出後並非意味學生須立即離開學校。
5. 家長可瀏覽本校網頁 (<http://www.sjc.edu.hk>)，了解最新發佈通告的詳細資料。

3. **No supplementary examinations** will be given by the school. The subject teacher will give an assessed mark for subjects missed for evaluation purposes.
4. Students who cannot provide the school with sound evidence (stated in clause 2) will be considered having missed the examinations. Zero mark will be given to the subjects missed.
5. Students missing examinations because of other reasons should inform the school and obtain prior approval if applicable. The results, if any, of the attended subjects will be printed on the report card without any order of merit.

SCHOOL RALLY

All through our College a voice is resounding;
Promptly respond to your duty's clear call;
Harken you all for the trumpet is sounding:
Your Mater's proclaiming her watchward to all.

(Chorus)

Forward, nor flinch nor fear, ever with hearts sincere,
Render with joy to your Mater her due;
All that is vile reject; heaven will e'er protect,
Sons of St. Joseph's valiant and true.

"Labour and Virtue" your motto still bearing,
Forward with courage in ways that are just;
True to your standard be doing and daring,
As faithful Josephians in Heaven you trust. *(Repeat Chorus)*

Onward and upward in life's earnest battle,
Joyously bearing the brunt of the fight,
Nobly forgiving for aught that may pain you,
And bravely defending the cause of the right. *(Repeat Chorus)*

Lift up your hearts for a Kingdom awaits you,
Honour and virtue with courage defend;
Serve Him in life who in death can reward you,
And vow to be faithful and true to the end. *(Repeat Chorus)*
